ABOUT THE COLLEGE

Srimad Andavan Arts and Science College (Autonomous), is a premier self-financing co-educational Institution, affiliated to Bharathidasan University, Tiruchirappalli and has gained reputation for providing quality and value-based education in this part of the country. Started in the year 1996 the college with the main objective of providing modern education to the oppressed masses which is deprived of education and social equality. "Social upliftment is possible only through rural education" was insight of our founder, His Holiness Srimad Andavan.

Continuing this ideology, the college now caters not only to rural students, but also to the students from Srirangam, Thiruvanaikovil & Tiruchirappalli to achieve a blend of urban & rural for better social order.

VISION

To empower the youth through value-based education so as to create knowledge society embedded with culture, tradition and spirituality.

MISSION

- To impart the value-based education through diverse academic programmes.
- To undertake research and extension programmes so as to contribute for the development of the knowledge-based society with the need to develop peace and harmony among the various sections of the society.
- To encourage innovation and creativity in students and to instill in them the social responsibility through productive partnership.

PHILOSOPHY

Social upliftment can be achieved only through rural empowerment which is possible only through quality education to rural Sector.
